***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made to the subject application:

In claim 1, line 14, before "coupled", added --having one end--.

In claim 7, line 4, changed "supply" to --source--.

In claim 8, line 4, changed "supply" to --source--.

The Examiner's amendment has been made in order to correct the informalities, and to place the application in a condition for allowance.

***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach an electronic ballast system for emergency lighting applications comprising a forward diode installed for rectifying with one end coupled to an input source and the other end coupled to a plurality regular lamp set with a first switch, a backward diode for rectifying with one end coupled to the first switch and the other end coupled to a third switch with a combination of a storage voltage source, capacitors, a regular/emergency lamp set, a second switch, a transformer and /or a detector with their connections as defined in claims 1 and 12. Therefore, claims 1-14 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
